## Truly Custom Cabinetry

### Who Are We?

Black Bear Custom Cabinetry, located in Northern Connecticut is a truly unique company focusing on providing premium quality residential cabinetry and furniture. Our attention to detail from design to installation sets us apart. We build each custom project one at a time, using the finest materials and modern construction techniques. We take particular pride in the extraordinary beauty and durability of our environmentally friendly water-borne finishes. From design to installation, we can create your custom dream kitchen, bathroom, entertainment center, or custom built-in.

### Make Your Dreams A Reality

Through our affiliations with the Cabinet Makers Association, and the Thermwood Cabinet Cooperative, Black Bear is able to bring world-class design, construction, and finishing resources to any project, resulting in beauty, quality and price that were previously only available to large commercial factories.

You will enjoy a personal design experience, educating you along the way regarding your choices and options, quality installation of our finished product, and in the end, the pride and satisfaction of knowing you made the best choice possible for your cabinetry needs. See how Black Bear can help make your dreams a reality.
